Things to see and do in Portreath

- Enjoy the sandy beach and cliffs and view the nearby harbour. Then follow the coastal path along the cliffs.
- Have lunch or a snack overlooking the beach or at other cafes and restaurants in town.
- Make a bear or cuddly toy at the Bear Works.
- Try your hand at surfing, with one of the many surf suppliers.
- Walk part of the [Mineral Tramways Coast to Coast](#) trail, following old railway lines and viewing the mining heritage. The full walk goes all the way to Devoran – an adventure for a longer stay (or return by train from Perranworthal station!)
