

CHILDREN'S CHALLENGE PAGE

Have you been into the museum?
 What is the date on the building?
 The room at the back is much older and was the town gaol. Which of the exhibits interests you most and why?

What is the largest object in the museum?

This date stone is on a shop in Fore Street, opposite the church. How long has it been there? Do you think this has always been a shop? What sort of shop is it now?

This Cornish emblem has been on the end wall of the Duchy Palace since the 1600s. The 15 discs are called bezants. Can you find out why?

This picture shows the river at high tide. Draw a picture showing this same place at low tide.

The War Memorial was erected in memory of the Lostwithiel men who died in the 1914-18 war. Their names are all on it. Another block of stone was added after the 1939-45 war. How many local men lost their lives in each of these wars?
 In which month is Remembrance Day?
 Why do we put wreaths of poppies on the monument?

Can you work out where the photographer was standing when he took this picture of the church? Mark the spot on the map with an X

These mythical animals are on each side of the gate into the playing field. What is the field called? What do people do there? What do people do there? Can you find it on the map?

11

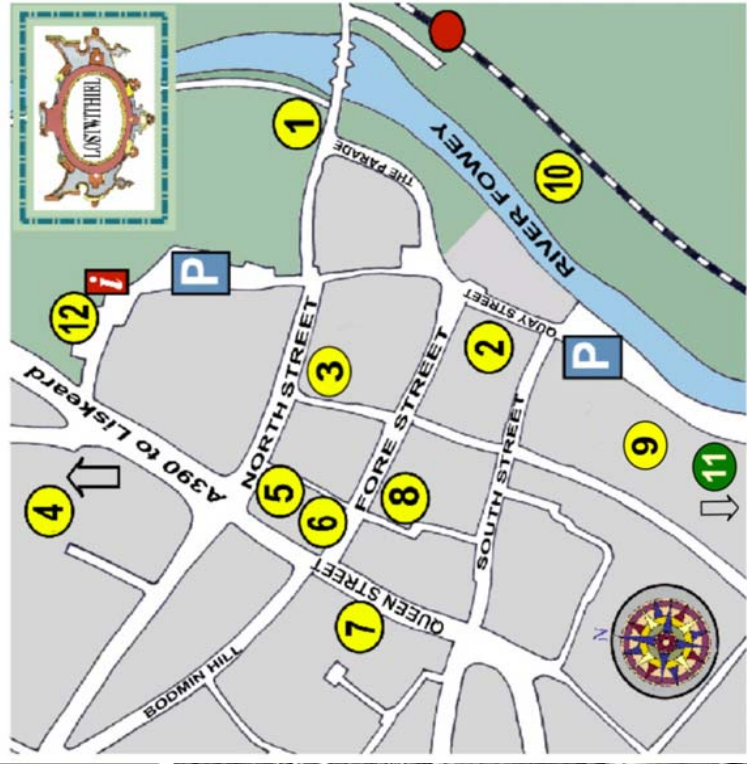

What do you notice about the course of the river when you get to the Nature Reserve?

12

Lots of things happen in the Community Centre. Make a list of as many as you can.

●

How many towns can you name that are connected with Lostwithiel by the railway?

The street plan was laid down in the 12th century
