. SPRNG RE-OPENING: It's that time of year when we can start to look forward to the new season. There's a 'hive of activity' behind the scenes as we prepare to re-open the museum to visitors on Monday 30 March through to Friday 30 October. If you haven't yet visited the museum or perhaps haven't been able to visit for a while, don't let 2026 disappear before coming to see us. We are very much looking forward to welcoming you on Mondays to Fridays between 10.30am and 4.30pm. We also want to be able to open on Saturdays but that will be entirely dependent on the availability of Stewards willing to cover at the weekend. We will therefore delay confirming Saturday opening times until the March Lostwithiel Newsletter.

. VOLUNTEERS: With preparations for re-opening the museum well underway we have started the process of contacting existing volunteers to check on their availability. It is encouraging that so many of you want to return — but we know from experience that we can never say we will definitely have sufficient numbers to cover all our requirements for the entire season. If you are new to the idea of volunteering at the museum and think you might be interested in helping, then please contact either Christine Walton on 01208 871456 or Maggie Lancaster on 01208 873093 for more information. We would welcome additional volunteers to meet and greet visitors; act as town heritage walks guides; care for the exhibits; contribute to the in-house publications; help with fund raising and social activities; be involved in individual projects and events — plus general 'behind the scenes' tasks. Whatever your interests, age or ability we can offer you a variety of opportunities to utilise your existing skills and help you acquire new ones. We very much look forward to hearing from you.

. EDITOR OF MUSEUM MATTERS MAGAZINE: We are looking for someone to take over the role of editing Museum Matters, the in-house magazine. Published twice yearly (Spring and Autumn) with support from a small editorial team, this successful magazine is a key feature of our Friends of Lostwithiel Museum Association membership scheme. For more information please contact Christine Walton on 01208 871456.

. SOCIAL EVENT: All museum volunteers will be invited to attend a pre-season opening event in Q Street Cafe — so look out for your email (or phone) invitation. Those of you who've attended similar events will know what a sociable occasion this is — and how delicious the home-made canapés are!

. TOWN HERITAGE WALKS: The popular guided Town Heritage Walks will be re-starting on Wednesday 1 April — and every Wednesday until 28 October. The weekly 90 minute walk starts at 11.00am from outside the Community Centre — and still costs only £5 per adult. There is no need to book in advance unless you are organising a group walk on a different day or time — in which case please contact Pauline Gillett (Co-ordinator) on 01208 872040. We are already receiving enquiries about group walks so please contact Pauline as early as possible.

. MUSEUM WINDOW DISPLAY: Thank you to Michael Furminger (Curator) for his 'Raiders of the Lost Museum' window display which features donated items to the museum's archive of treasures. This interesting collection features: an early Bronze Age mace head and some pottery finds found locally — as well as an 'adventurers kit' that includes a Sawfish Rostrum, a NCO Swagger Stick, a Bone Handle knife, a Gladstone Bag and a Trench Shovel. Do take a look at some of these items you may not recognise by these names?

. MEMBERSHIP RENEWAL TO LOSTWITHIEL MUSEUM ASSOCIATION:

This is a reminder to those of you who've yet to pay the £10 per household membership renewal fee due for 2026. If you've mislaid the Renewal Form or if you're not sure whether your membership is up to date, please contact the Membership Secretary via the museum website www.lostwithielmuseum.org

Thank you to those who've already renewed their membership — and especially to those of you who've also added a donation — and completed the Gift Aid Declaration Form as this enables the museum (a charity) to claim an additional 25p for every £1 paid.

The LMA wishes you all the very best for 2026.

Mayor's Column

As there is no January News Letter I need to recall events prior to Christmas and the new Year. The Dickensian evening was a great success for all taking part. As for your Council it was good to see both restored buildings being used, the exhibition in the Guild Hall, the Mayor's Parlour beautifully transformed into Santa's Grotto, much to the delight of many children.

The Mayoress and I welcomed visitors to the second floor with mulled wine and light refreshments, whilst participating the people checked out the hot desk office.

The Giants again on New Year eve were fantastic, thanks to all who took part and the organisers.

Please forgive the plug but Lostwithiel Twinning Ass. are again holding a Ceilidh evening in the Community Centre, please watch for posters giving more details

I am suspending the Mayor's surgery until the spring when we have lighter evenings and people are more inclined to venture out.

Please note that half of the car park in Coulson Park will be fenced off from 6th Feb. to 19th March the contractors are working on the railway line and require a storage area.

Please forgive the banner heading

Your Town Needs You

Councillor Sarah Preece Lostwithiel Letters

We've had the kind of turbulent start to 2026 no-one could have predicted. With Storm Goretti and Storm Ingrid, weather events have impacted residents, making it a difficult few weeks for all.

The impact of flooding, the cuts to power, water and internet and the devastating loss of so many of our wonderful trees, flora and fauna across the Duchy highlights the ferocity of extreme weather events and the impact of their increasing number. A multi-agency review is underway to assess the implications to ensure the learning is embedded into any future crisis response and I and our local town and parish councils are feeding into that for our residents.

Looking to the year ahead starts really with a look back to what was achieved in 2025.

A meeting in December with Ministers, led to confirmation that Homes England are willing to further develop their partnership with Cornwall Council to deliver more affordable housing.

The news at the end of the year from government was that Cornwall will receive a bespoke devolution deal that recognises our national minority status. Becoming a Foundational Strategic Authority will put Cornwall on an equal footing with the mayoral authorities and pave the way for greater decision-making powers tailored to Cornwall.

Progress was made to secure formal recognition of Cornwall's Celtic language – Kernewek - under Part III of the European Charter for Regional or Minority Language. Having initially been protected under Part II of the Charter since 2002, the intervening 24 years has seen a resurgence of the use of Kernewek in everyday life.

This official recognition is the culmination of many years of work by Cornwall Council, MPs, community groups and cultural organisations to ensure the language plays a key role in life in Cornwall and creates parity with other Celtic languages across the British Isles.

Our status as a strategic authority was also recognised in the November budget with the announcement of £30m of Kernow Industrial Growth Funding which will help give us some continuity for economic growth. Despite the funds being a fraction of the allocations made to the mayoral authorities, Cornwall Council is the only non-mayoral authority to be given either a locally-led 'Growth Fund' or the powers to retain 100 percent business rates.

While income from business rates helps Cornwall deliver local economic growth, the council is lobbying government about the proposed changes, which, if implemented, will have a devastating impact on businesses across Cornwall. We will also keep fighting for fairer funding for Cornwall as the funding settlement has left the council with £54m less funds and slashed structural investment funding.

More locally, meetings with community partners to discuss A38 and A30 safety and campaigning to scrap the Tamar Crossing Tolls continue as key priorities for cabinet.

Meanwhile, I have been working with key stakeholders to secure the future of Newquay Zoo and am leading a sector response to the liquidation of Visit Cornwall with a sector summit at the end of January. The Summit will bring together key leads in Cornwall's hospitality sector to help secure the future of this critical part of the Cornish economy.

²⁴ We should think about how we can help one another. We want everyone to show love to each other. We want everyone to do good things to help one another. ²⁵ Some people have stopped meeting with the group of Christians. But that is not good. We should all continue to meet together. St Bartholomew's News

Once more I am wondering where Christmas went, as it seems to be such a long time ago. Perhaps it is the business of the lead up to the Festival and now that all the trappings have gone, we can concentrate on getting back into a normal routine.

The Church is always looking forward to the next event in our calendar, and so we start thinking of Easter. Hopefully the Winter storms and cold are giving us a chance to get outside and look at what nature has to offer us, in the new wild flowers and bulbs in our gardens, giving promise of a fresh start and of course, the work that needs doing to nurture it all!

It has been so nice to welcome our new Incumbent, Father Simon Bone and his wife, Claire, to our Benefice, and so our rotas for these first few weeks have been a little changeable, but are now settling down.

Our Thursday morning Benefice Celtic Eucharists will continue at 10.00, with a short, quiet service for those who cannot join any services on Sundays.

Sunday 1st will be a Eucharist at 11.00, with Rev'd James Funnell. The first Sunday is usually a family service, and it would be nice to see a few of our younger parish members join us with their families.

Our second Sunday 8th, will be a Eucharist at 11.00. Please note that the times for the second Sunday are now back to 11.00! Sunday 15th at 11.00, there will be a Eucharist. Wednesday 15th is Ash Wednesday and so there will be our Ashing Service at 6.00.

On Sunday 22nd, we will be at St Veep for a United Benefice Service at 10.30.

As yet I have no details of our monthly concerts, but please keep your eyes open for the posters and fliers as they appear. These concerts are arranged by Dan Woodfield and he is trying to introduce some new and up-coming musical acts from around the South West of the country. The 'Live Music' scene is welcomed in Lostwithiel.

Would anyone who would like to 'have a go' at ringing our beautiful bells and keep alive this dying art, come along to practice nights on Tuesdays. At least have a go!!!

We would also welcome anyone who likes to sing, into our Benefice Choir. You don't have to undergo any tests and you don't need to be a member of our church though the music is mostly religious, but beautiful. We sing for any services in the Benefice when asked. We practice every Thursday evening in St Bart's from 5.30 – 6.30pm, and I promise you that our Choir Master 'doesn't bite'!!!

We are also always very grateful to our volunteers who help to keep the Church spic and span, though it is hard work, but speak to Rev'd Sheila or the Churchwardens if you have the odd hour to spare.

We are so lucky with our volunteers who help with the Food Share, the Community Larder, the Friday Café and who come forward when and where help is needed. We can't thank them enough.

See you in Church!

Rotary Club of Lostwithiel

Bursaries

The Rotary Club of Lostwithiel is committed to helping young people achieve their potential. As part of this commitment, the Club offers annual bursaries to support young people from our community who are pursuing university or other forms of tertiary education. Bursaries of up to £250 are available. The amount awarded to each successful applicant will depend on the number of applications received. Payments are normally made to students during their second term of study. In the UK tertiary education means post 18 education beyond secondary school and it includes Further Education, Apprenticeships (Higher or Degree) Specialist and Professional Colleges, Professional and Technical Qualifications. Adult and Continuing Education.

Back in December, Santas on Bikes came through the town. This is a charity event and Rotarians were out with collecting buckets to collect from spectators. In the 20 minutes or so the bikers went through a total of £270 was taken, all of which was later handed to the event organisers, and then donated to Children's Hospice South West.

LOST RUN 7. The total number of athletes taking part in Lost Run 7 was 181. The Community Centre is due a large thank you. They made the Centre available free of charge, to support the runners. They also stepped into the breach at very short notice, and opened up their kitchen when a caterer was forced to pull out. The kitchen produced a much needed boost to the day and they hopefully made some much needed cash. At the end of the run, the medals to every runner were presented by Ice Swimmer Sam Day. Sam recently competed in the National Ice Swimming Championship in Scotland and won both silver and bronze awards. She will be representing GB at the soon to be held European Championships and we wish all the very best of luck. Lost Run 7 made a profit of just over £2200, all of which will go to Rotary good causes.

A reminder that the Annual Fast Throw Darts Tournament, organised by Lostwithiel Rotary, takes place on 10th. February. Members will be adjudicating at the various venues, and participating teams will raise funds for their own chosen charities.

The **Charity Beer Festival** will be at the Community Centre on Saturday 14th. March and all 4 of the Six Nations Rugby games will be shown on the big screen.

Looking forward Lostwithiel Carnival Week will start on Sunday 26th July 2026 and ending on Saturday 1st. August. If you want to know more about Rotary contact Tom Barker on rekrabmot@hotmail.com or Stephen Lay on lay@mineit.co.uk

Unfortunately the extreme weather at the start of the new year meant that our January Open Meeting had to be cancelled. However we have been able to reschedule the talk on the history of UK television news for later in the year.

The next meeting will be on Monday 2nd March when our speaker will be Kay Turner who is currently Joint President of Soroptimist International St. Austell & District Club. Likened to Rotary International and Lions International, Soroptimist International is a women led organisation and has 66,000 members around the world, focusing on activities and projects, raising awareness and money to primarily help, support and give a platform to vulnerable women and girls.

In the meantime our 24 individual groups continue to meet regularly to pursue a wide range of interests and enjoy socialising and companionship.

There is more information about the u3a and how you can join on our website at www.lostwithielu3a.org.uk.

Fowey River Lions

The Lions had another successful Christmas with projects from the town's Christmas lights to our Senior Citizens' Christmas lunch and the reintroduction of Santa's tour around the town. These events take a great many people to bring to life and we'd like to start the New Year by thanking the host of volunteers and local businesses who contribute to these events – and to anyone who contributed through the donations that are the lifeblood of our work.

At our meeting in January, The Lions were honoured by a visit from Richard Allen the Lions District Governor who took the opportunity

to present the team with an Award for Excellence. The Fowey River Lions were one of only three clubs in the South West to receive the award which recognises clubs that demonstrate outstanding achievement during the year.

Sadly, the Lions president Steve Jones decided to step down from the role and leave the team. Steve's contribution to the Lions will be sorely missed and we would like to thank him for his efforts and wish him all the best for the future.

Looking forward, we are pleased to announce our next fund-raiser will be a Bingo night at Haveners in Fowey on 11th March. We are in the middle of organising the event, we recommend you reserve your table early by contacting Haveners directly on 01726 834591. We are looking for prize donations for the evening – if you would like to donate something just drop us an email on foweyriverlions@gmail.com or call us on 0345 833 7484.

We are also putting together our traditional Easter Egg draw keep a lookout for these in pubs and shops around the area – it's a fun way to support the Lions and you could win one of the many Easter Egg prize boxes.

Finally, here's a way you can help the Lions without it cost you a penny! We are proud to be part of this year's Co-op Community Fund. The Co-op will donate money towards our 2026 Senior Citizens' Christmas lunch - and all you need to do is to log on to your Co-op account and select as your community project for the year. To find out more about our project visit the website on membership.coop.co.uk/causes/100031

Want to help your community? We are always on the lookout for new members. We started in 1977 and have been helping the community by taking part in local events and raising funds for local and international causes. Over the years we have donated to local and national charities, helped local people in need and supported young people in their development. Why not get in touch and find out what being a Lion is all about?

Contact us by email on foweyriverlions@gmail.com or by phone on 0345 833 7484.
